## WHO WE ARE

The Touchdown Club of Atlanta is a non-profit organization established in 1938 that supports High School Football at the local, state and national level. It is the **oldest independent Touchdown Club in the nation**. The club's mission is to recognize outstanding achievements in High School Football and providing student athletes with resources to prepare them for life after football, and as future leaders of their communities. The club represents the Atlanta chapter of the National Football Foundation.

Each week in the fall, the club recognizes one Back, one Lineman, and one Coach for their outstanding performances on the field. The TCA holds regular meetings in the fall to present these outstanding coaches and young men with the prestigious Touchdown Club of Atlanta Award. Previous award winners included some of the nation's biggest recruits who have gone on to standout careers at the college and professional level. Notable award winners from past years include: **Calvin Johnson, Eric Berry, DeShaun Watson, Jeff Francouer, Cam Newton, Jamal Lewis, Takeo Spikes, David Green, David Pollack, Jeff Saturday, George Lombard, Ronnie Brown, Matt Stinchcomb, Gordon Beckham and Eric Zeier**, among others.

After the presentation of weekly awards, esteemed guest speakers are featured who share their stories about the game of football and life. Past speakers include **Steve Spurrier, Lou Holtz, Verne Lundquist, Mark Richt, Dick Vermeil, Phil Fulmer, Bear Bryant, Barry Switzer, Pat Dye, Vince Dooley, Tommy Tuberville**, and many more.

At the yearend Awards Banquet, the club also honors the best players around the Metro Atlanta area with the Metro Atlanta All-Star Team, the Georgia High School Coaches of the Year in each classification, winners of the prestigious Corky Kell Award for coaches who have amassed 200 or more victories in their careers, and the coveted Bobby Dodd National High School Players of the Year – awarded to the best Back and Lineman in the Nation. Due to the high profile recruits present, the Award Banquet is attended by many SEC and ACC coaches. Past winners of the Bobby Dodd Award include: **Peyton Manning, LaVar Arrington, Kevin Faulk, Ronald Curry, Jadeveon Clowney, Leonard Fournette, and Jacob Eason**, among others.

In addition to recognizing outstanding performances on the gridiron both locally and nationally, the club supports players and student managers in the Metro Atlanta area by awarding scholarships to deserving candidates. The **Whitey Zimmerman Student Manager Scholarship** and the **George Morris Student Athlete Scholarships** are awarded and presented at the club's annual Scholarship Banquet
